The Artful Canine® Introduces 3 New Halloween Dog Collars

The Artful Canine®, a premiere online store offering handcrafted fashion dog collar & leashes, has just released three new Halloween dog collar designs for their canine trick-or-treater greeter!

These adorable designs are funky, fashionable, and the most comfortable costume your dog will ever wear on Halloween. As with all Artful Canine Dog Collars, these designs are adjustable, durable, Scotchguarded for stain resistance, and washable. Each collar comes with a 1-year guarantee, or The Artful Canine® will replace the collar for free*.

Each collar is available in sizes from x-small to x-large to fit any size dog. Our Dog Collar with Spiders is a bright neon green and black print on grosgrain ribbon and black nylon webbing. Similarly, our Dog Collar with Ghosts comes in a neon green, white ghost and black “Boo!” print. While the Ghost and Spider dog collars are limited editions, our Dog Collar with Bats comes in a black and white denim-like design for year-round wear and gothic dog collar fans.

Shipping is fast and affordable. All of our Halloween Dog Collars are available online now at [The Artful Canine](#).

About The Artful Canine

The Artful Canine offers handcrafted fashion dog & puppy collars and leashes at affordable prices. Our aim is to offer features, styles, and designs that will appeal to the man or woman who is mindful of their dog’s comfort; values handcrafted quality construction; and enjoys unique, attractive designs that reflect their own personal likes and interests.

At the Artful Canine, we think of our handcrafted collars as being blue jeans for dogs – once the stiffness of the new material has broken in, they fit and feel really good. They will become faded over time, and if you’ve got a dog that likes to scratch a lot, they may wear down the finish of the decorative fabric on our collars. But they won’t wear out their usefulness. That’s why we offer a 1-year guarantee, or we’ll replace the collar for free*.
